EMPLOYMENT:

Principal Research Economist, Inter-American Development Bank, Social Sector, Washington D.C., Apr. 2010-present
Provide strategic guidance in social sectors to strengthen analytical underpinnings of IDB policy recommendations and programmatic interventions. Formulate strategy for youth development across social sectors drawing from and contributing to evidence-base. Lead policy dialogue in areas of social protection with a focus on children and youth.

Lead Economist, Inter-American Development Bank, Social Sector, Washington D.C., Apr. 2008-Mar. 2010
Lead research in education, labor markets and poverty. Coordinate analytical response in social sector to food and global financial crisis. Influence policy decisions through high-level dialogue with government counterparts.

Senior Research Economist, Inter-American Development Bank, Research Dept, Wash. D.C., Nov. 2006-Mar. 2008
Lead research on human capital investments including early childhood development, determinants of school performance and family labor supply. Provide technical and analytical support to operational teams with respect to project design. Coordinate statistical services provided to internal and external clients, including the Sociómetro.

Research Economist, Inter-American Development Bank, Research Department, Washington D.C., Sept. 2000-Oct. 2006
Conduct research on social issues in Latin America, including the intergenerational transmission of poverty, human capital attainment, and women's performance in labor markets. Provide analytic content to flagship publications.

Consultant, Inter-American Development Bank, Research Department, Washington D.C., Nov. 1996-Aug. 2000

Research Fellow, Economic Demography Training Program, University of Michigan, 1990-1996.

Research Affiliate, Instituto de Pesquisa Economica Aplicada, Brazil, May-Aug. 1992 and Sept-Oct. 1993.

EDUCATION:

Ph.D., Economics, University of Michigan, Ann Arbor, 1997.
